## **Intervention Design Plan Format**

| Gap/Strength | Root Cause | Intervention | Activities/Steps | Indicators | Responsible | Due date |
|--------------|------------|--------------|------------------|------------|-------------|----------|
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
|              |            |              |                  |            |             |          |
